# Shorthorn Sale

## Tuesday, April 28, 1964

— Held at —

Brookings County Agricultural Building

Brookings, South Dakota

\*\*\*\*\*

### 38 HEAD

Show 9:00 A. M.

—

Sale 1:00 P. M.

### SHOW

An interesting Shorthorn Show will be held at the Brookings County Agriculture Building, the forenoon of the day of the sale, starting at nine o'clock, when all of the cattle entered in the sale will be shown in their respective classes. A competent judge will rate the entries, and farmers, breeders and commercial cattle raisers are invited to be present to watch the judge as he makes his placings.

\*\*\*\*\*

— Please Bring This Catalog to the Sale —

## Why Buy A Shorthorn Bull?

### Best for Crossing - - - -

Crossbreeding tests at the Louisiana State University show that Shorthorn crosses with both Angus and Herefords were superior to the Angus-Hereford cross in weaning weight, slaughter calf grade, rate of gain, weight-per-day of age and carcass grade.

### Produce More Lean Cuts - - - -

The large Indianapolis Carcass Contest, proved in a comparison of lightweight entries that Shorthorns produced a higher dressed weight, more pounds of lean cuts and a carcass of greater value. The average Shorthorn carcass was worth \$30.68 per cwt., as compared to \$29.93 for Angus and \$29.91 for Herefords. A 210-head study by the Quebec Department of Agriculture also proved that Shorthorns mature earlier and produce a high carcass grade.

### More Valuable Calf Crops - - - -

A summary of 30 feeder sales in Virginia in 1960, involving 34,517 head of all breeds, revealed that Shorthorns, which have their own sale at Winchester, outweighed, outsold and outgrossed their competitors. The Shorthorn average weight was 495 lbs., as compared to 456 for all sales. Shorthorns sold for a \$25.37 per cwt. average as compared to \$25.19 for all sales and they grossed \$125.51 a head against \$114.84 for other breeds . . . a Shorthorn advantage of \$10.67 on every calf.

### Superior Gaining Ability - - - -

Shorthorns scored the highest average gains at the large Front Royal, Virginia, interbreed performance tests for eight straight years. In the largest testing program in the nation, the Kentucky Performance Test, Shorthorns outscored other participating breeds in every category.

### Fewer Health Problems - - - -

A study conducted by Dr. M. E. Ensminger, Washington State University, and presented at the 1960 Shorthorn Program Conference, revealed that breeders, college men and meat industry experts rated Shorthorns the highest for milking ability, freedom from dwarfism, immunity to disease.

## **Terms and Condition**

The terms of the sale are cash and all settlements must be made at the close of the auction.

Animals sold in this sale will be fed and cared for until the day following the sale at the purchaser's risk.

Health certificates showing results of T.B. and Bangs test within 30 days of sale or herd accreditation certificates will be furnished by the consignor and should be picked up when settlement is made.

All animals of breeding age are guaranteed breeders. Animals failing to breed in a reasonable period may be returned, if in as good condition as when sold. The seller reserves the right to try said animal for three months and if it proves to be a breeder, return same animal to station of the buyer at the buyer's expense. If said animal proves sterile, a satisfactory exchange will be made, or purchase price refunded. All animals are sold as without known defects such as may be announced when the animal is in the auction ring.

Each consignor accepts the responsibility of guarantee of his own cattle and has the privilege of giving additional guarantee on his cattle at the time of the sale in the auction ring. The South Dakota Shorthorn Association, directors, sale manager and clerk act only as his agents, and assume no liability, legal or otherwise.

JIM O'CONNELL, Secretary  
South Dakota Shorthorn  
Breeders' Association

Lake View Palatine 27th is probably the best bull we have ever raised. He is a full brother to Lake View Palatine 12th Grand Champion Bull at the 1963 State Sale that sold for \$1075 to John Hegg and Roger Megard. He is a very good headed, low set red bull with a lot of size, bone, quality and a grand coat of hair. We have used this bull on a few cows and he is very sure breeder.

   Red, Roger Megard

This year we feature the get of our herd bull Springdale Officer. This would have to be considered one of his best sons. He was reserve junior champion at the Sioux Empire fair this year and at seven fairs the lowest he stood was third and that was in a large class at the Minnesota state fair. Bonapart is as smooth as an apple and I am sure he will satisfy the most critical.

Red, Carl L. Retzlaff & Sons

Fashionably bred and out of one of our very best Clara Belle cows who have raised numerous champions for us. This heifer has just been on roughage all winter Her most valuable feature is that she is mated to Lakeview Palatine 12th for an early summer calf. This bull was champion a year ago. Should be a terrific calf.
